

The Point Pleasant River Museum & Learning Center is again selling tickets for their annual Belle of Cincinnati 2 1/2 hr. Dinner Cruise. We are starting to sell tickets early this year after receiving a call from a lady in Minnesota who said she missed the cruise by a week last year and she didn't want to miss getting tickets this year.

Others are contacting us for tickets because they have gone and don't want to miss going this year because they didn't get tickets in time. Each year we sell out and have people begging the last week for tickets when there are none. We have already received a call from a group who are planning a reunion for their class of 1959 and are interested in going on our cruise.

Where can you find such a great evening with a delicious dinner, wonderful entertainment and a cruise?

Call today to purchase your ticket 304-674-0144. Martha will sell them to you over the phone if you have a credit card and drop them in the mail to you. Don't miss the boat, call today.
